PHA Plan 2008-09

Executive Summary

The mission of the Michigan State Housing Development Authority's Office of Housing Voucher Programs (OHVP) continues to be to assist Michigan's extremely and very low-income families, the homeless, the elderly, and the disabled to afford decent, safe and sanitary housing, with our main focus being the homeless population. It is also the mission of OHVP's Housing Choice Voucher Family Self-Sufficiency and Homeownership programs to promote and provide education and opportunities for families to become economically self-sufficient; end the cycle of assistance; and, to recycle the vouchers to additional families in need.

In early 2006, the Authority had adopted the following four agency-wide strategies for the PHA Five Year Plan which continue to be practiced:

Strategy 1: Expand the availability and supply of safe, decent, affordable, and accessible rental housing for low and extremely low-income individuals and families;

Strategy 2: Increase homeownership opportunities for individuals and families by reducing the costs of homeownership.

Strategy 3: Make homeless assistance more effective and responsive to local needs through local autonomy and movement toward a continuum of care.

Strategy 4: Develop linkages between the housing and service sectors to provide greater housing opportunities for household's special needs.

These four strategies are being accomplished using a number of action plans, partnerships, and staff working together across the many working divisions of MSHDA. Each year, MSHDA's Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission.

The statements, budget summary, and policies set forth in the Annual Plan all lead toward accomplishment of our Five-Year Plan goals and objectives. Taken as a whole, they outline a comprehensive approach consistent with the Consolidated Plan. MSHDA's OHVP has identified the following goals for the fiscal year 2008-09 as a means to obtain the above stated strategies:

- Continue to promote opportunities for families participating in our HCV program to become economically self-sufficient and end the cycle of assistance through our Family Self-Sufficiency and Homeownership programs.*
- Continue to assist participants in the HCV program to find safe, decent, sanitary housing at an affordable rate.*
- Enhance our customer service by continuously working with staff to employ quality work practices and initiatives.*

- *Continuously work with the U.S. Department of Housing and Urban Development (HUD) to assist families impacted by housing conversion actions.*
 - *Apply for additional Housing Choice Voucher funding as Notifications of Funding Availability (NOFA) announcements are issued by HUD. This would include Mainstream vouchers or Family Unification Program vouchers, if announced.*
 - *Continuously work with HUD and other partners to provide housing and support services to qualified Housing Choice Voucher families. Other partners include the State of Michigan Departments of Human Services, Labor and Economic Growth, Community Health, and Information and Technology Services. We also partner with local homeless Continuum of Care Planning Bodies, Area Agencies on Aging, Community Mental Health Agencies, the Corporation for Supportive Housing (CSH), community-based service providers and various other non-profit entities.*
-
- *OHVP staff will continue to actively participate in the MSHDA sponsored Michigan Affordable Housing Community Five-Year Action Plan.*

During FY 2008-09, MSHDA will continue with the following policy/program changes to its Housing Voucher Program announced in the FY 2007 Annual Plan:

- *Continue to implement and administer the Homeless Assistance Recovery Program (HARP) as a homeless preference for awarding Housing Choice Vouchers within the State of Michigan.*

During FY 2008-09, MSHDA will make the following additional policy/program changes to its Housing Voucher Program:

- *The eligibility requirement for entry into our HCV program is that at least 85% of new admissions must have annual adjusted incomes at or below 30% of Area Median Income (AMI); and up to 15% of new admissions may have annual adjusted incomes at or below 50% of AMI.*
- *Applicants who have Tenant Based Rental Assistance (TBRA) which is certified by a participating HARP Lead Agency and on a HARP Waiting List will be offered assistance before other homeless families within the HARP Waiting List.*
- *When the HARP waiting list is exhausted in a county, families for the HCV program will then be selected from the current HCV waiting list for that county with preference based on residency in the county and date/time of application.*
- *In large metropolitan areas where large HARP waiting lists exist and it is anticipated that the HARP waiting list will not be exhausted within twelve months, waiting list pulls will be done on a two HARP waiting list pulls to one HCV waiting list pull ratio.*

- *In the Project-Based Voucher Program, MSHDA will add an additional admission preference to Veterans in specified developments. In some of the developments selected for PBV, Veterans would have equal preference to homeless families for a project-based voucher unit in a Veteran's project-based voucher award.*
- *MSHDA is electing to give a preference to convert those families who are participants in the Disaster Voucher Program (DVP) to the Housing Choice Voucher (HCV) Program.*
- *MSHDA will explore the expansion of the Affordable Assistance Housing Program (AAHP) which allows low-income clients who qualify for nursing home care to receive long-term care services in a community setting to include Washtenaw and Wayne counties. The program is currently available only in Macomb and Oakland counties. The expansion is based on an Amendment to the VA and HUD Appropriations Bill in 2002 offered by Mr. Knollenberg which specifically limited its use to Macomb, Oakland, Washtenaw and Wayne counties.*

Implementation of the Violence Against Women Act (VAWA) of 2005 - *The Office of Housing Voucher Programs (OHVP) at MSHDA will comply with the VAWA of 2005 as signed into law and will continue to undertake actions to meet this requirement in the administration of the HCV Program. All new admissions to the MSHDA HCV Program are being notified of their rights under VAWA during their initial briefing. All participants of the HCV Program are being notified of their rights under VAWA by inclusion of information with their annual recertification paperwork. All participating landlords/owners are receiving notification of the provisions of this Act and their responsibilities via a separate notification at the time of the annual recertification.*

MSHDA's contracted Housing Agents participate in local Continuum of Care meetings and use those contacts and contacts known to them through the Family Self-Sufficiency Program to assist victims of domestic violence (including dating violence, sexual assault, or stalking) and their children when cases are made known to them. Many of the agencies participating in the Continuum of Care groups provide temporary housing/shelter to victims of domestic violence and their children. MSHDA staff and Housing Agents will work with the service agencies to make sure that the family is able to maintain their housing assistance.

Fraud Recovery - *MSHDA strives to reduce fraud by participants in the HCV Program by continuing to investigate cases where a suspicion of fraud exists by the participant, family members, landlords, or owners. These investigations are led by our Fraud Recovery Coordinator. At initial briefing of participants on the HCV program, we educate our applicants and participants about fraud by providing HUD's brochure "Is Fraud Worth It? (HUD 1141)" to them and by notifying them that appropriate action will be taken when instances of fraud are discovered.*

MSHDA maintains a good working relationship with the HUD Office of the Inspector General and continues to respond to suggestions on ways to improve our fraud reduction practices. This includes prosecuting fraud cases when necessary and continuing to demand repayment when

appropriate. Further, MSHDA has an Interagency Data Share Agreement with the Michigan Department of Human Services for verification of Public Assistance through an up-front income verification system.

In summary, MSHDA is continuously working to provide quality affordable housing for extremely low, very low, and low income households in Michigan by operating a high quality housing voucher program. This is accomplished by MSHDA assisting its voucher participants through the Homeless Assistance Recovery Program, HCV Project-Based Voucher Program, Moderate Rehabilitation/Single Room Occupancy Program, Family Self-Sufficiency Program, and the Key to Own Homeownership program. We strive to improve the quality of life for the participants in these programs and ensure that only those who are truly qualified continue to be assisted through our efforts to identify and counteract against instances of fraud.

During FY 2008-09, MSHDA will continue to transition up to 20% of the total portfolio of Housing Choice Vouchers to Project-Based Vouchers. The purpose of this transition is to enhance supportive housing projects that have specific service/funding sources in place for people who are homeless or with special needs. MSHDA may also award project-based vouchers in partnership with other PHAs within the State of Michigan. To be eligible for project-based vouchers, all potential projects will have been selected for development via a competitive process through MSHDA such as Low Income Housing Tax Credits or HOME. Selected projects must also meet MSHDA Office of Supportive Housing and Homeless Initiatives underwriting criteria. MSHDA has also stated its intent to make available 400 vouchers for project-based assistance for developments competing for Low Income Housing Tax Credits under the 2008-09 QAP (if approved). MSHDA will continue to administer the housing choice vouchers already identified as project based vouchers in its portfolio.

Amendment (additions)

- In the Project Based Voucher Program, MSHDA will add an additional admission preference for the elderly in specified developments. In elderly designated developments that are selected for MSHDA PBV awards, elderly persons would have first ranking preference for a project-based voucher award in an elderly development. In addition, elderly persons being placed in such PBV designated elderly developments must meet all of the specified MSHDA PBV selection criteria for the development such as elderly, homeless, chronically homeless, disabled, persons with special needs, or domestic violence survivor.***
- In accordance with Project Based Voucher regulations (24 CFR 983), MSHDA may award up to 35 Project-Based Vouchers specifically dedicated to the Hamtramck R-31 Project in the City of Hamtramck, Michigan. At the City of Hamtramck's request, these 35 units will be located within the boundaries of the City of Hamtramck, Michigan in order to assist the City to become fully compliant with an order of the Federal Court (Sarah Sims Garret et al v. City of Hamtramck et al, Case #32004). If and when Project-Based Vouchers are awarded, the waiting list for persons to be served by this project will be restricted to those parties and heirs specifically covered by the court order. After all the initially stipulated persons have been assisted under the Housing Choice Voucher Project-Based Voucher program, the waiting list will be opened to interested families in Wayne County that meet the eligibility criteria.***

Addendum to Housing Choice Voucher PHA Plan

FAMILY SELF-SUFFICIENCY AND HOMEOWNERSHIP PROGRAMS AFFIRMATIVELY FURTHERING FAIR HOUSING

As required by Section 808(e)(5) of the Fair Housing Act

Equal housing opportunity for all persons, regardless of race, color, national origin, religion, age, sex, familial status, marital status, or disability, is a fundamental policy of the Michigan State Housing Development Authority (MSHDA). MSHDA is committed to diligence in assuring equal housing opportunity and non-discrimination to all aspects of its housing financing activities. As a state created housing finance agency, MSHDA has an ethical as well as legal imperative to work aggressively to ensure that MSHDA financed housing programs comply fully with all state and federal fair housing laws.

Reasonable steps are always taken to affirmatively further fair housing in MSHDA's Housing Choice Voucher (HCV) Family Self-Sufficiency (FSS) and *Key to Own* Homeownership Programs.

- 1) The FSS and *Key to Own* Homeownership Coordinator positions are advertised statewide via the Michigan Civil Service Commission State of Michigan Job Postings website at <http://web1mdcs.state.mi.us/vacancyweb/vacancyinq.asp>. Local FSS Coordinators are recruited through Continuum of Care meetings, local periodicals, and personal recommendations from MSHDA partners.
- 2) The FSS and *Key to Own* Homeownership Programs are marketed to all MSHDA HCV recipients regardless of race, color, national origin, religion, age, sex, familial status, marital status, or disability. Information on the MSHDA FSS Program can be accessed at http://www.michigan.gov/documents/FSS_Program_22027_156422_7.htm and information on the MSHDA *Key to Own* Homeownership Program can be accessed at http://www.michigan.gov/documents/HomeOwnership_Flyer_167318_7.pdf. The *Explore Your Options* brochure advertising these two programs is provided to MSHDA HCV recipients at every new admission and annual re-examination. MSHDA FSS and *Key to Own* Homeownership applications are provided to all HCV recipients through promotional mailings and by request.
- 3) In compliance with 24 CFR8.6, the MSHDA FSS and *Key to Own* Homeownership Programs ensure that all buildings and communications that facilitate applications

and service delivery are accessible to persons with disabilities. If requested, services can be provided at other locations and TTY telephone communications are available at all locations. Applications to the MSHDA FSS and *Key to Own* Homeownership Programs are mailed directly to the homes of the MSHDA HCV recipient and/or their listed representative. Detailed policy and procedure on Reasonable Accommodation is outlined in MSHDA's Office of Housing Voucher Programs Policy and Procedure Manual.

- 4) MSHDA provides counseling and referrals to individuals and families covered under the Fair Housing Act by informing them of the many programs offered through MSHDA. The means of communication to raise awareness of these programs include newspapers, television, website, radio, service provider contacts in all 83 counties of Michigan, and the annual Affordable Housing Conference held in the State's capital of Lansing. At the Initial Briefing, HCV participants are provided information on fair housing, how to find a safe and affordable unit, and leasing provisions that are prohibited under law. A detailed plan of outreach is outlined in MSHDA's Office of Housing Voucher Programs Policy and Procedure Manual.
- 5) MSHDA provides all HCV participants with fair housing information at their Initial Briefing including the distribution of the Housing Discrimination Complaint form (HUD-903). The HUD-903 provides information on what housing discrimination is and the steps the tenant should take to submit a detailed report to HUD. Local telephone numbers are provided along with the 1-800-669-9777 that the tenant can call to submit fair housing complaint. MSHDA prominently displays the Equal Housing Opportunity poster in its two central offices and requires that all contracted partners display the same documentation in their local offices. It is the policy of MSHDA to fully comply with all federal, state and local nondiscrimination laws and in accordance with the rules and regulations governing Fair Housing and Equal Opportunity in housing and employment.
- 6) The MSHDA FSS and *Key to Own* Homeownership Programs assist in the recruitment of landlords, service providers, and lending professionals in areas that expand housing choice to program participants looking to own homes. MSHDA implemented a web-based housing locator service, *MichiganHousingLocator.com*, in an effort to overcome the barrier of finding safe and affordable housing. The website encourages landlords in all 83 counties to list their vacant units and real time data shows that over 5,500 properties and over 178,000 rental units are

currently listed in Michigan. FSS Coordinators work with participants to identify safe and affordable housing along with other wrap-around services that will provide them with opportunities for self-sufficiency. The *Key to Own* Homeownership Program provides participants with a listing of available lenders that provide affordable mortgages to potential homeowners.

- 7) All record keeping for the MSHDA FSS and Key to Own Homeownership Programs will be maintained via HUD-50058 reporting.
